Anna's Bakery has been a local favorite for 35 years. They serve wonderful baked goods and great Peet's coffee...a real sweet stop!

Perched atop a hill with sweeping vistas of the southland, the Reagan Library is one of California's most beautiful and unique destinations. We'll enjoy a private docent guided tour of the Library which will include a visit to the Air Force One Pavilion where we will walk onboard the actual Air Force One which flew 7 U. S. Presidents. You will also see a full-size replica of the White House Oval Office.

Ronald Reagan inspired Americans to act and achieve even more than they imagined. His legacy thrives at The Reagan Library where exhibits rediscover his values, actions, and spirit of determination.

Andria's Seafood Restaurant is located in the beautiful Ventura Harbor Village. It is well known since 1982 for it's original Fish and Chips, homemade clam chowder, and casual atmosphere where they provide the freshest seafood available. Patio seating is available with a lovely view of the harbor.
